The background of the image is a photograph of the United States flag waving against a clear blue sky. The flag's stars and stripes are clearly visible, and it appears to be attached to a flagpole on the left side of the frame. The text is overlaid on this image in a white, sans-serif font.

I pledge allegiance to the  
flag of the United States of  
America and to the republic  
for which it stands, one  
nation under God,  
indivisible, with liberty and  
justice for all.

## Bob Heil, K9EID

“First licensed in 1956, Amateur Radio has been the foundation of my careers in the sound reinforcement industry as well as bringing high quality, articulate audio to Amateur Radio. Entering this great hobby during the best sun spot cycle helped me to focus on designing and building one of the first VHF SSB KW stations. Throughout the years, I have enjoyed designing many antennas, from the 128 element two meter 'J' Beam array in 1960 to the latest - phased arrays on 40 and 75 meters. I enjoy all of the bands from 160 meters through two meters working my many friends and especially newcomers to this great hobby. Heil Sound is honored to be the only manufacturer in the Rock n Roll Hall of Fame.”

Thank you for attending!
